The Schwarz Müller Group is one of the largest one-stop suppliers of commercial vehicles in Europe and operates in 19 countries, mostly in Central, Southeastern and Eastern Europe. As a leader in the field of innovation and technology, the company sets the standards for the industry, and is the specialist for individual transport solutions thanks to its more than 140 years of expertise. The most important sectors to use Schwarz Müller commercial vehicles are long-distance transport, the construction and oil industries, as well as the food and timber industries. Schwarz Müller manufactures more than 7,800 commercial vehicles a year, currently employs 2,200 staff, and generated revenue of 310 million euros in 2015. As well as its production facilities in Austria (Hanzing), the Czech Republic (Žebrák) and Hungary (Budapest), the company also supports a network of almost 350 service centres across Europe.
